<b>Nature: Gertie LOVES PEOPLE! Gertie looks for people and expects hugs. She is full of Love!</b>	✓		
<b>Other dogs - gets along great! Loves everyone.</b>	✓		
<b>Gerties Vet Check appointment: Gertie received a Smiley Face for being so good at her appointment! "Great Disposition" BUT she did pull on her leash.</b>	✓		
<b>Cats and animals that start running start her prey drive and she will chase with intent for harm. Not good with cats and chickens.</b>			✓
<b>On leash - Gertie has been working hard to respect the leash! She gives to its pressure and no longer drags the handler.</b>	✓		
<b>House-Trained: Gertie has lived in the house she enjoys a nice bed. She has a tendancy to knock things over. So far no messes but I do let her out often and at night.</b>		✓
